What has FOM been up to lately?

Thursday May 23rd, FOM's Community Concert Series hosted the Greater Victoria Concert Band's Junior Band, led by Dr. Jack Edwards. This is what it looks like when 34 musicians crowd onto the stage at EMP.

Spirits were not dampened by a bit of rain when the Ukulelians played their music in the 121st Island Farms Victoria Day Parade, atop a donated Wilson's double-decker Sightseeing Bus.

Looking Forward to Banding Together: Sat Oct 5, 2019

Dear Friends,

Here at Friends of Music, we provide musical opportunities for people recovering from mental illness. We are celebrating Thirty Years of performing this important work. Our 6 performance ensembles and 5 Music Lessons Groups provide a safe and nurturing environment for taking on new challenges, meeting friends and celebrating accomplishments. We rely on the generosity of our many friends and donors to make this possible.

Banding Together is our main fundraiser. This year the Naden Band's, Pacific Blue Big Band and the Bayside Big Band have come forward to perform our Oct 5th event. There will also be performances by Friends of Music's own musicians. Tickets will be going on sale this summer. Get yours early.

Your Board of Directors is working hard to make this fundraiser, the biggest and best ever. See you there.
